CELEBRATE SAVING DURING NATIONAL SAVE FOR RETIREMENT WEEK!

National Save for Retirement Week is the week of October 16! Celebrate saving during this time, and anytime throughout the year. In fact, there are a few great ways to celebrate saving that can help you reach your retirement income goals:

- 1. Roll in assets** from previous plans to your current plan – Make it easier to stay on track toward your retirement income goals by rolling in assets from any previous plans to your current plan.
- 2. Raise your contributions** – Are you saving as much as you can today? Increasing your contributions by even 1% or \$10 can really help. Over time, small changes can compound and lead to more retirement income for you later.
- 3. Make catch-up contributions** (if applicable) – Are you age 50 or older? If so, take advantage of your catch-up contribution. In 2011, you can contribute an extra \$5,500 above the current IRS limits.

Be a part of the celebration this October! Contact a Texa\$aver representative to review the steps you can take to meet your retirement income goals of tomorrow.
