**ADVISED ASSETS GROUP, LLC  
ADVISORY SERVICES AGREEMENT**

Please read the following terms and conditions carefully before using or enrolling in any of the services described below. Your use of any service will signify your consent to be bound by the terms and conditions set forth in this Agreement.

**ABOUT US**

Advised Assets Group, LLC ("AAG") is a federally registered investment adviser and wholly owned subsidiary of Great-West Life & Annuity Insurance Company ("Great-West"). AAG offers its services to retirement account recordkeepers for use by plan participants or to owners of an Empower Retirement Individual Retirement Account ("IRA"). Through these arrangements, AAG provides guidance, advisory, and management solutions to plan participants and IRA account holders.

**FEES FOR THE SERVICE**

AAG offers three levels of service: Online Investment Guidance, Online Investment Advice and Managed Account. Fees for each service are shown below. The chart below reflects the applicable billing period and annual fee amount.

<b>Online Investment Guidance</b>	<b>Quarterly Fee</b>	<b>Annual Fee</b>
	No Fee	No Fee

  

<b>Managed Account</b>		
<b>Participant Account Balance</b>	<b>Quarterly Fee</b>	<b>Annual Fee</b>
≤ \$100,000.00	0.1125%	0.45%
Next \$150,000.00	0.0875%	0.35%
Next \$150,000.00	0.0625%	0.25%
≥ \$400,000.01	0.0375%	0.15%

For example, if your account balance subject to the Managed Account service is \$50,000.00, the maximum annual fee is 0.45% of the account balance. If your account balance subject to the Managed Account service is \$500,000.00, the first \$100,000.00 will be subject to a maximum annual fee of 0.45% (quarterly 0.1125%), the next \$150,000.00 will be subject to a maximum annual fee of 0.35% (quarterly 0.0875%), the next \$150,000.00 will be subject to a maximum annual fee of 0.25% (quarterly 0.0625%), and any amounts over \$400,000.00 will be subject to a maximum annual fee of 0.15% (quarterly 0.0375%). For example, the maximum quarterly fee for an account balance less than \$100,000.00 (subject to maximum annual fee of 0.45%) would be 0.1125% quarterly, as demonstrated above.

The fees for Online Investment Advice and the Managed Account service will generally be debited from your account based on AAG's Form ADV Brochure and the terms of service and billing period agreed upon by your plan sponsor; however, if you cancel participation in the Managed Account service, the fee will be based on your participation in the service through the date of cancellation. Use of Online Investment Advice at any time during a billing period will result in your account being debited the billing period fee. If your Plan terminates its agreement with AAG or with its recordkeeper, the fee will be debited based on your participation in the service through the date of such termination. The fee you are charged depends on the Plan you participate in, and in certain instances, the fees charged may actually be lower than the fee depicted.

**IMPORTANT FOR RETIREMENT PLAN PARTICIPANTS**

Your plan sponsor or recordkeeper may have negotiated lower fees or different billing periods. Your Managed Account fee may include an additional solicitation fee in an amount up to 0.25% annually of the total assets under management. If your plan sponsor has engaged a solicitor, your Managed Account fee will be higher than if a solicitor were not engaged. Please review AAG's Form ADV Brochure and contact your plan sponsor or plan administrator to confirm your fees for AAG services and the applicable billing cycle.

Retirement plan participants may also receive the Managed Account service for a free look period of 90 days from the date of your initial enrollment, after which the appropriate fee listed above will be assessed to your account. If you do not opt-out by the end of the free look period, you will be assessed a fee for the entire billing period as described in the section entitled, "Fees for the Service." Please contact your plan sponsor to determine if the free look period applies to your plan. You may contact AAG for the date of your Managed Account enrollment.

Your acceptance of the terms and conditions of this Agreement constitutes your authorization for AAG to deduct the billing period fee. The fees are subject to change. AAG reserves the right to offer discounted fees or other promotional pricing.

**DESCRIPTION OF SERVICES**

AAG offers the following investment advisory services: Online Investment Guidance, Online Investment Advice, and Managed Account through Advisory Services to retirement plan participants and to IRA Account holders. Retirement plan participants may receive all or some of the services listed below as determined by the plan sponsor. If you are enrolled in multiple accounts with your employer, you must select the level of Advisory Service for each account. Please contact AAG for further details as to whether this applies to your account(s).

**Online Investment Guidance:** The Online Investment Guidance service is geared toward users who wish to manage their own retirement accounts. Users are provided access to online guidance tools.

**Online Investment Advice:** Online Investment Advice service is geared toward users who wish to manage their own retirement plans while taking advantage of online guidance and investment advice. You are provided online guidance and investment advice for a personalized recommended investment portfolio. The recommended investment portfolio is based on information drawn from your account profile and from the investment options available to you. You may then implement the recommended investment portfolio and manage your retirement account online. AAG does not provide advice for, or recommend allocations of, individual stocks (including employer stock), self-directed brokerage accounts, guaranteed certificate funds, or employer-directed monies.

**Managed Account:** The Managed Account service is geared toward users who wish to have a financial expert select among the available investment options and manage their retirement accounts for them. You will receive a personalized investment portfolio that reflects your investment options and your retirement timeframe, life stages and overall financial picture, including assets held outside your account (if you elect to provide this information), which may be taken into consideration when determining the allocation of assets in your account (AAG will not provide advice for, recommend allocations of, or manage your outside accounts). Under the Managed Account service, AAG has discretionary authority over allocating your assets among the core investment options without your prior approval of each transaction. AAG is not responsible for either the selection or maintenance of the investment options available within your retirement account or IRA. If available in your account, AAG will not provide advice for, or recommend allocations of, individual stocks (including employer stock), self-directed brokerage accounts, guaranteed certificate funds, or employer-directed monies. Your balances in any of these investment options or vehicles may be liquidated, subject to your plan's and/or investment provider's restrictions.

Managed Account assets in the core investment options will be automatically monitored, rebalanced and reallocated periodically (approximately quarterly) by AAG, based on data resulting from the methodologies and software employed by the Independent Financial Expert, currently Morningstar Investment Management LLC ("Morningstar Investment Management"), to respond to market performance and to ensure optimal account performance over time. You will receive an account update and forecast statement annually and can update your personal information at any time by contacting AAG.

To determine which services are available to you, please refer to the communication materials provided by AAG or ask your plan sponsor.

#### INFORMATION FOR PARTICIPATION IN THE SERVICE

**Information Gathered to Provide the Service:** You must provide all data that is necessary for AAG to perform its duties under this Agreement, including but not limited to: your date of birth, income, gender, and state of residence, which AAG may rely upon in providing the services to you. For each service described above, if the data supplied by you or your Plan Sponsor, if applicable, does not meet the methodology requirements, we will attempt to contact you for updated information. If this is not completed, your enrollment in the service may not be completed or may be terminated.

If you participate in the Managed Account service, you will receive a Welcome Kit shortly after enrollment. Please review the Welcome Kit carefully and contact AAG to update or correct any incorrect personal information. You will also receive an Annual Kit each year, providing you with a detailed analysis of your account. Your Annual Kit will also confirm your personal data which is used to provide you with personalized account management. You may also provide additional information, at any time, regarding your retirement age, desired retirement income replacement, social security start date, other income and expenses, spousal and dependent information. The savings rate provided by your retirement plan recordkeeper may not include profit sharing, pensions or employer matches to your retirement plan(s). Please contact AAG to verify these amounts.

It is important that you update your personal data with AAG on a regular basis in order to ensure that your account management is suited to your needs and goals.

#### ADDITIONAL INFORMATION FOR USERS OF THE SERVICE

**Methodology:** The Advisory Services methodology is powered by Morningstar Investment Management. Morningstar Investment Management first builds stable, consistent asset allocation models at various risk levels. Based on Monte Carlo simulations of the user's resources, liabilities, and human capital, an appropriate asset level portfolio is selected and a savings rate and retirement age are determined that best suits each user's situation. The asset class level model portfolios are revisited annually. Investment options from the account's menu are then selected to implement each asset-level model portfolio. These investment options are monitored and rebalanced quarterly.

**IMPORTANT:** The projections or other information generated by the advisory service tool regarding the likelihood of various investment outcomes are hypothetical in nature, do not reflect actual investment results and are not guarantees of future results. Results may vary with each use and over time.

**Additional Fees May Apply:** Certain investment options in your account may charge a redemption fee or impose restrictions for market timing. Such restrictions or redemption fees vary in amount and application from investment option to investment option. It is possible that transactions initiated by AAG under Online Investment Advice or the Managed Account service may result in the imposition of a redemption fee or marketing timing base restriction on one or more investment options available to you. Any redemption fees will be deducted from your account balance.

**Assets Managed:** If you elect the Managed Account service, your eligible account balance will be allocated to the Managed Account service. You may not invest in other core investment options while also participating in the Managed Account service. Once enrolled in the Managed Account service, you will no longer be able to make investment allocation changes to your account online, via paper,

or through your AAG's existing toll-free customer service number. This includes functionality for fund-to-fund transfers, change fund allocations, or utilization of dollar cost averaging and/or rebalancer. Once enrolled, you retain full inquiry access to your account. You may also change contributions, take distributions and provide other updates to your personal information. Full access will be restored to your account within one business day after you cancel participation in the Managed Account service.

**Cancellation:** You may cancel participation in the Managed Account service at any time by completing the cancellation form available online or by calling AAG. Once you have opted-out of the Managed Account service, you are responsible for managing your own account. In addition, your allocations and account balance (if applicable) will have already been established according to the Managed Account allocations. You will need to initiate your own allocation changes and/or transfers if you wish to change your investment allocations from the Managed Account allocations.

**Initial Allocation for IRA Account Holders:** Upon receipt of your initial deposit or rollover into your IRA, your funds will be allocated to the default investment option specified in your custodial agreement. AAG will re-allocate your funds to your asset allocation portfolio within 5 business days of receiving your initial deposit.

**Important note for accounts with a Guaranteed Lifetime Withdrawal Benefit:** If you are within ten years of your targeted retirement date and enroll in the Online Investment Advice or Managed Account services, AAG may recommend or allocate a percentage of your account (which may be up to 70% of total known retirement assets, as deemed appropriate by the Advisory Services methodology) to what is commonly known as a guaranteed lifetime withdrawal benefit ("GLWB"). Allocations to the GLWB will result in an additional fee that is in addition to the fees noted within the fee table above. This fee is not charged by AAG but it may be charged by an affiliate of AAG. If you have previously purchased a GLWB product, your new allocation may be reduced (including to zero) or increased following your enrollment into the Managed Account service. Please read the Summary Disclosure Statement carefully. You may cancel your enrollment in the service at anytime.

#### GENERAL PROVISIONS

AAG acknowledges that, as a registered investment adviser, it owes a fiduciary duty to participants with respect to investment advice (Online Investment Advice) and investment management (Managed Account). AAG is not a fiduciary with respect to guidance (Online Investment Guidance). AAG may not assign this Agreement (within the meaning of the Investment Advisors Act of 1940 ("Advisors

Act")) without your consent. You may not assign this Agreement. Unless otherwise agreed to in your plan's agreement with AAG, if applicable, this Agreement is entered into in Denver, Colorado and governed by and construed in accordance with the laws of the State of Colorado, without regard to its conflict of law provisions. You agree that proper forum for any claims under this Agreement shall be in the courts of the State of Colorado for Arapahoe County or the United States District Court, District of Colorado. If you are a participant in a retirement plan, please contact your plan sponsor to determine proper venue for actions brought under this agreement. The prevailing party shall be entitled to recovery of expenses, including reasonable attorneys' fees. This agreement constitutes the entire Agreement between you and AAG with respect to the subject matter herein. You agree that any amounts owed to you arising under this contract shall incur interest no less than the current Federal Funds rate plus 3% per annum. If for any reason a provision or portion of this Agreement is found to be unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible so as to affect the intent of the parties, and the remainder of this Agreement will continue in full force and effect. No failure or delay on the part of AAG in exercising any right or remedy with respect to a breach of this Agreement by you shall operate as a waiver thereof or of any prior or subsequent breach of this Agreement by you, nor shall the exercise of any such right or remedy preclude any other or future exercise thereof or exercise of any other right or remedy in connection with this Agreement. Any waiver must be in writing and signed by AAG. All terms and provisions of this Agreement, including without limitation "Disclaimers", "Limitation of Liability", "Indemnification", "Intellectual Property", and "Privacy Policy", which should by their nature survive the termination of this Agreement, shall so survive. This Agreement will automatically terminate upon termination of your Plan's agreement with AAG, or upon termination of your Plan's service agreement with its recordkeeper, if applicable. Nothing in this Agreement shall be construed to waive compliance with the Advisors Act, the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), if applicable, or any applicable rule or order of the Department of Labor under ERISA. AAG shall not be liable for any delay or failure to perform its obligations hereunder if such delay or failure is caused by an unforeseeable event beyond its reasonable control, including without limitation: act of God; fire; flood; earthquake; labor strike; sabotage; fiber cut; embargoes; power failure; lightning; suppliers failures; act or omissions of telecommunications common carriers; material shortages or unavailability or other delay in delivery; government codes, ordinances, laws, rules, regulations or restrictions; war or civil disorder, or acts of terrorism. AAG reserves the right to modify this Agreement at any time. You agree to review this Agreement periodically so that you are aware of any such modifications. Your continued participation in Advisory Services shall be deemed to be your acceptance of the modified terms of this Agreement. This Agreement shall inure to the benefit of AAGs successor and assigns.

All securities transactions that occur as a result of the advisory services are executed by GWFS Equities, Inc., ("GWFS") an affiliated broker/dealer. GWFS may receive 12b-1 fees or other compensation from the investment option providers, including mutual funds and their sponsors and affiliates, for the sale of fund shares allocated to participant accounts and/or for other services. The amount of 12b-1 fees and/or other compensation GWFS may receive from an investment provider varies. In addition, registered representatives of GWFS may provide wholesaling, direct sales, enrollment and/or communication services to retirement plans and their participants for which AAG may also provide its services. For these services, GWFS may receive fees either from the plan or from the investment providers (fund families), as described above. Participants in the Online Investment Advice or Managed Account service may have allocations to investment options that result in GWFS receiving 12b-1 fees or other compensation. Allocations to the investment options are solely determined and based on Morningstar Investment Management's software, not determinations made by AAG. The compensation paid by AAG to Morningstar Investment Management for Morningstar Investment Management's proprietary software advice program does not vary based on the allocations made or recommended by Morningstar Investment Management. Because Morningstar Investment Management is unaffiliated with AAG and GWFS, AAG does not believe there is a conflict of interest. However, in all instances, AAG's affiliation with GWFS is disclosed.
