Loan Provisions

Loans may be denied to individuals who have previously defaulted on a loan, subject to the terms of the Plan's Loan Policy.

Incomplete or Inaccurate Information

- In the event that any section of the Loan Application is incomplete, inaccurate or approvals have not been obtained, Service Provider may not be able to process the transaction requested. I may be required to complete a new form or provide additional or proper information before the transaction will be processed.

Detailed Loan Information

Amount of Loan

- The maximum loan amount is generally the lesser of 50% of the vested account balance or \$50,000.00.
 - This amount must be reduced by any current total outstanding loan balance from all qualified plans sponsored by the employer.
 - Additionally, this amount must be reduced by the excess, if any, of the highest total outstanding loan balance of all loans for the previous 12 months ending on the day before the date this loan is made minus the current outstanding loan balance.
- Service Provider is not responsible for aggregation of loans under different plans maintained by the same employer.

Cost

- A loan origination fee in the amount of \$50.00 will be deducted from the loan approved amount.
- An additional annual loan administration fee of \$25.00 will be deducted from the account in quarterly installments of \$6.25 until the loan is paid in full.
- If I am a resident of the State of Florida, a documentary stamp tax is payable to the state. More information is available at: <http://www.myflorida.com/dor/>.

Interest Rate Determination

- The interest rate is the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated plus 2% and is fixed for the life of the loan.
- The interest I pay on this loan is not tax deductible.

Source and Application of Funds

- Loan disbursements will be withdrawn from all variable funds first and then from Guaranteed Fixed funds (beginning with those closest to maturity) according to my Plan's Loan Policy.
- If I have a self-direct brokerage account, the loan cannot be processed unless I have sufficient funds in the core investment options (Non-self-directed investment options) to cover the loan amount plus the core minimum investment amount.
- Roth and Non-Roth money sources will be depleted according to the Plan.
- The funds may impose redemption fees on certain transfers, redemptions or exchanges if assets are held less than the period stated in the fund's prospectus or other disclosure documents.

Delivery Method

Loan Check

- A check made payable to me will be mailed to my address on file unless otherwise indicated in Section A. If I have entered a new permanent address or an alternate mailing address in Section A, I must also obtain notarization or have my signature witnessed in Section D.
- I may confirm my address on file by accessing my account online at www.louisianadcp.com or contacting the Client Service Department at 1-800-701-8255.

Express Delivery (Optional)

- Express delivery is available for Monday through Friday delivery only. Check will be sent by USPS Express if address is a P.O. Box and could take 2-3 business days for delivery.
- There is an additional non-refundable charge of \$25.00.
- Delivery is not guaranteed to all areas.

Detailed Payment Information

Repayment

- Payments are made by payroll deduction and are deducted on an after-tax basis.
- Notification will be sent to my employer's payroll department at the time the loan is made, indicating the repayment dollar amount and frequency.
- Principal repayments and interest payments shall be reinvested in accordance with my investment election in effect at the time the payments are received by Service Provider.

Prepayment

- Full Prepayment of the outstanding loan principal and the accrued interest may be made by the next loan payment due date. I must obtain a payoff quote by calling 1-800-701-8255 to obtain a prepayment figure no more than 15 days before the payoff.
- Partial prepayments may be accepted by checking with the Plan Administrator for details on what is applicable within the Plan.

Principal Reduction Method

- I can elect to send a payment to reduce the principal balance of my loan by contacting Service Provider for a required Loan Prepayment Request.
- The payment received will be applied first to the current payment due and then to the outstanding principal balance.

Returned Payment Checks

- If a check is returned for failed payment, my loan will become delinquent, which can result in adverse tax consequences.

Default

- Loans are in arrears and delinquent when any payment is missed.
- If the sum of all loan payments due in a calendar quarter are not made and payments are not received by the end of the following calendar quarter, pursuant to Internal Revenue Code rules and regulations, the loan will be in default. As a result, the entire outstanding loan balance, including accrued but unpaid interest, shall be deemed distributed and will be tax reported in the calendar year of default.
- Borrowers who default on a loan from the Plan will be prohibited from obtaining future loans from the Plan.
- The loan must continue to be repaid even in the event of default until the entire outstanding loan balance, plus all accrued interest thereon, is repaid in full or until, I experience a qualifying event subject to the terms of the Plan Document, allowing the Plan to offset the outstanding loan amounts against my account balance, whichever comes first.

Distributions

Full Distributions

- A full distribution cannot be processed until I have experienced a qualifying event and elect either to treat the loan as a taxable distribution or pay the loan in full.

Partial Distributions

- A partial distribution cannot be processed until I have experienced a qualifying event.
- I am aware that I must maintain a minimum amount of \$2,500.00 or 50% of the account balance, whichever is greater, in my core investment options if I have a portion of my account balance invested in a self-directed brokerage account.

Death Distributions

- Any cash distribution from the Plan will be reduced by any outstanding loan obligation.
- All outstanding loan principal and accrued interest shall be treated as a non-cash distribution from the Plan as dictated by the Loan Policy and the amount of the outstanding loan will be tax reported.
- The loan cannot be transferred to, or assumed by, my beneficiary.

Leave of Absence
