

OBRA and the Massachusetts Deferred Compensation SMART Plan

Enclosed is your annual SMART Plan statement. It is important to review your statement and your personal information for accuracy. Please provide Great-West Retirement Services[®], your SMART Plan record keeper, with any changes or updates to your personal or beneficiary information.

As a part-time, seasonal or temporary employee of the Commonwealth of Massachusetts or a part-time, seasonal or temporary employee of a participating Massachusetts local government employer, you have been enrolled in the Massachusetts Deferred Compensation SMART Plan.¹ The SMART Plan is an alternative to Social Security as permitted by the federal Omnibus Budget Reconciliation Act of 1990 (OBRA) and is required for employees not eligible to participate in their employer's retirement program or who are not covered under an employer's Section 218 agreement. OBRA, passed by the U.S. Congress, requires that beginning July 1, 1991, employees not eligible to participate in their employer's retirement program be placed in Social Security or another program meeting federal requirements. The SMART Plan meets those federal requirements.

¹ The Social Security Administration Web site at <http://www.socialsecurity.gov/form1945> reminds state and local governmental employers of the requirement under the Social Security Protection Act of 2004 to disclose the effect of the Windfall Elimination Provision (WEP) and the Government Pension Offset (GPO) to employees hired on or after January 1, 2005, in jobs not covered by Social Security. Some jobs may not be covered under Social Security because they are not subject to mandatory coverage and there is no Section 218 agreement that covers them. The GPO provision impacts the amount of Social Security benefits received as a spouse or as an ex-spouse. The WEP affects the retirement or disability benefits received under Social Security if an individual has worked for an employer who does not withhold Social Security taxes. The law requires newly hired public employees to sign a statement, Form SSA-1945, that they are aware of a possible reduction in their future Social Security benefit entitlement. A copy of Form SSA-1945 is available at <http://www.socialsecurity.gov/form1945/SSA-1945.pdf>.
