I understand that the Internal Revenue Code and my Section 457(b) Plan prohibits distributions prior to occurrence of certain events. I am requesting a distribution due to an unforeseeable emergency within the meaning of Section 457 of the Code and my Section 457(b) Plan, and understand that the Plan has authority to approve or reject my request. I understand that supporting documentation must be provided to substantiate my unforeseeable emergency withdrawal request.

I have read, completed and attached my Unforeseeable Emergency Withdrawal Application with this request. I hereby certify under penalty of perjury that information provided by me on this withdrawal request, application and supporting documentation, is true and accurate.

I have obtained all available distributions, other than unforeseeable emergency distribution, and all nontaxable loans currently available under all plans maintained by my employer (or related employers). I understand that deferrals (contributions) under this Plan must cease for a period of at least 12 months.

I certify that I cannot obtain the needed funds from any other available resources such as reimbursement or compensation from insurance, cessation of deferrals under the Plan, loans, liquidation of other assets to the extent the liquidation of such assets would not itself cause a severe financial hardship, or by any other means available to me. I understand that the amount of unforeseeable emergency distribution may be limited under the terms of the Plan and can never exceed my vested account balance.

I understand I am responsible for any applicable income tax and/or penalties on this distribution.

I acknowledge that I am not electing a foreign financial institution for an ACH deposit and understand that such an election will be rejected and delay the processing of my request.

I understand that funds may impose redemption fees on certain transfers, redemptions or exchanges if assets are held for less than the period stated in the fund's prospectus or other disclosure documents. I will refer to the fund's prospectus and/or disclosure documents for more information.

Under penalty of perjury, I certify that my Social Security number (or a Taxpayer Identification Number) as shown on this request is correct, and that I am a U.S. person if I checked the U.S. Citizen box or the U.S. Resident Alien box on this withdrawal request form.

I understand that Service Provider is required to comply with the regulations and requirements of the Office of Foreign Assets Control, Department of the Treasury ("OFAC"). For more information, please access the OFAC Web site at:

<http://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

I agree and elect that my salary deferral (contribution) be set to 0% at the same time that this distribution is processed. I understand I must request my deferrals (contributions) to begin again once the suspension period has expired except and in accordance with other Plan rules.

Unforeseeable Emergency Withdrawal Certification

Your Section 457(b) Plan permits unforeseeable emergency withdrawals only to the extent a participant demonstrates to the satisfaction of the Plan that the reason for such withdrawal complies with applicable requirements under Internal Revenue Code and the Plan. You can only request an unforeseeable emergency withdrawal if you find that your situation warrants such request and you have sufficient documentation to support it.

The amount that may be distributed from the Plan is limited to the amount reasonably necessary to meet the unforeseeable emergency need after all other financial means available to you are taken into consideration.

If you elect not to have federal income tax withheld or if you do not have enough federal or state income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your income tax withholding and estimated tax payments are not sufficient.

Indicate the amount of the unforeseeable emergency on the line provided. Unless you check the Net Amount box, the amount you request will be a gross amount; that is, federal and/or state income tax will be withheld from your requested amount. The unforeseeable emergency amount will be automatically prorated against all of your available investment options.

Unforeseeable Emergency Approval and Effective Date - Before processing your unforeseeable emergency withdrawal request, Service Provider must first receive all required documentation. This request cannot be approved without proof of an unforeseeable emergency. If any documentation is missing, your request will not be processed until you submit the required documentation. The effective date of your unforeseeable emergency withdrawal request will not be until after the unforeseeable emergency withdrawal is approved.

Express Delivery - The amount of your distribution check will be reduced by \$25.00 for this service. If both **Non-Roth** and **Roth** money sources are allowed by your Plan and distributed, \$25.00 will be deducted from each check totaling \$50.00. Express delivery is only available Monday through Friday. Check will be sent by United States Postal Service Express if address is a P.O. Box and could take 2-3 business days for delivery. Delivery is not guaranteed to all areas.

Automated Clearing House (ACH) - Check this box and complete this section only if you want your payment to be electronically deposited into your checking or savings account. You may not designate a business account, an IRA or any other retirement plan/account. Your distribution amount will be reduced by \$15.00 for this service. ACH credit can only be made into a United States financial institution (bank/credit union). If both **Non-Roth** and **Roth** money sources are allowed by your Plan and distributed, \$15.00 will be deducted from the **Non-Roth** and **Roth** money sources, totaling \$30.00.

Complete the financial institution name, account number, ABA routing number, financial institution mailing address, city, state and zip code. For a checking account, you must attach a preprinted voided check. If a preprinted voided check is not available, you must attach a signed letter from your financial institution, on their letterhead, that confirms the ABA routing number and your name and account number. For a savings account, you must attach a letter on financial institution letterhead signed by a representative of the financial institution that includes your name, savings account number and ABA routing number.

General ACH Information

By choosing an ACH credit to your financial institution account, you are authorizing Service Provider to initiate a credit entry and, if necessary, a debit entry if an error should occur. You are also authorizing your financial institution, in the form of an electronic funds transfer, to credit and/or debit the same to such account. Service Provider will make your payment in accordance with the directions you have specified on the Unforeseeable Emergency Form.

If your financial institution rejects the ACH credit, Service Provider will make every attempt to fix the error and process the request. However, if Service Provider is still unable to send the ACH credit, a check will be mailed to the address that is on file with the Service Provider.

By selecting an ACH method of delivery, you acknowledge that Service Provider is not liable for the payment made by Service Provider in accordance with a properly completed Unforeseeable Emergency Form. By selecting this method of distribution delivery, you are authorizing and directing your financial institution not to hold an overpayment made by Service Provider on your behalf, or on behalf of your estate or any current or future joint accountholder, if applicable.

ACH delivery is not available to a foreign financial institution or to a United States financial institution for subsequent transfer to a foreign financial institution. Any requests received containing foreign financial institution instructions will be rejected and require new ACH or Check delivery instructions.

It is your obligation to notify Service Provider of any address or other changes affecting your electronic fund transfers prior to your payment date. You are solely responsible for any consequences and/or liabilities that may arise out of your failure to provide such notification.

Income Tax Withholding Applicable to Payments Delivered Outside the U.S.

If you are a U.S. citizen or resident alien and your payment is to be delivered outside the U.S. or its possessions, you may not elect out of federal income tax withholding.

If you are a non-resident alien, you must attach IRS Form W-8BEN with an original signature. In general, the withholding rate applicable to your payment is 30% unless a reduced rate applies because your country of residence has entered into a tax treaty with the U.S. and the treaty provides for a reduced withholding rate or an exemption from withholding. To obtain the IRS Form W-8BEN, call 1-800-TAX-FORM.

Contact your tax professional for more information.

UNFORESEEABLE EMERGENCY WITHDRAWAL APPLICATION and GUIDELINES

These guidelines provide general information with respect to the requirements imposed by the Internal Revenue Service on a Participant's ability to receive a distribution based upon an unforeseeable emergency. To the extent that the provisions of these instructions differ in any respect from the terms of the Plan or current or future federal laws and regulations governing unforeseeable emergency withdrawals, the terms of the plan document and applicable federal laws and regulations will control.

Your Section 457(b) Plan permits unforeseeable emergency withdrawals only to the extent a participant demonstrates to the satisfaction of the Plan that the reason for such withdrawal complies with applicable requirements under the Internal Revenue Code and the Plan. You can only request an unforeseeable emergency withdrawal if your situation warrants such request and you have sufficient documentation to support it.

An unforeseeable emergency is defined in the Treasury Regulations as a severe financial hardship of the participant or beneficiary resulting from one of the following:

- 1) An illness or accident of the participant or beneficiary, participant's or beneficiary's spouse, or participant's or beneficiary's dependent (as defined in the Internal Revenue Code under section 152 without regard to sections 152(b)(1), (b)(2) and (d)(1)(B));
- 2) Loss of participant's or beneficiary's property due to casualty (including the need to rebuild a home following damage to a home not otherwise covered by homeowner's insurance, e.g., as a result of a natural disaster); or
- 3) Other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant or the beneficiary, such as:
 - a) The imminent foreclosure of or eviction from the participant's or beneficiary's primary residence;
 - b) The need to pay for medical expenses, including nonrefundable deductibles, as well as the cost of prescription drug medication; or
 - c) The need to pay for burial or funeral expenses for a spouse or a dependent (as defined in the Internal Revenue Code under Section 152 without regard to sections 152(b)(1), (b)(2) and (d)(1)(B)) of a participant or beneficiary.

However, your Section 457(b) Plan may define an unforeseeable emergency differently. It is your responsibility to check with your Service Provider prior to requesting a withdrawal due to an unforeseeable emergency of your beneficiary.

Withdrawals will not be allowed in cases where a participant had significant control and failed to exercise prudent judgment as to the cause of the emergency. Typically, the following examples of situations are not considered eligible for an unforeseeable emergency withdrawal: payment of college tuition, purchase of real estate, payment of an elective medical or dental procedure, a payment of ordinary living expenses such as mortgage, auto payment and utilities, payment of loans, payment of taxes, interest or penalties, personal bankruptcy, unless it results directly and solely from an illness, casualty loss or other similar extraordinary and unforeseeable circumstance; or marital separation or divorce.

The amount that may be distributed from the Plan is limited to the amount reasonably necessary to meet the unforeseeable emergency need after all other financial means available to you are taken into consideration. An unforeseeable emergency withdrawal will not be paid to the extent that the financial hardship is or may be relieved through reimbursement or compensation from insurance or otherwise, by cessation of deferrals under the Plan, by liquidation of other assets (including the assets of your spouse and minor children that are reasonably available to you) to the extent that this liquidation would not itself cause a severe financial hardship, or by any other means available to you. In addition, prior to requesting this unforeseeable emergency withdrawal you may be required to receive all available distributions (other than unforeseeable emergency distributions), and all available non taxable loans, from this and all other plans maintained by your employer (including a related employer), and may be required to suspend any elective deferrals to this Plan and other plans maintained by your employer.

If you have made a good faith effort to satisfy your need for emergency funds through all available resources, if your situation complies with each of the above requirements, and if you have exhausted all other resources, you may apply for an unforeseeable emergency withdrawal by completing the attached forms. They are designed to provide information regarding the nature of your "unforeseeable emergency," and to determine if you have other appropriate financial resources available to alleviate the severe financial hardship. Without such evidence, your request cannot be considered. Please fill out all forms completely.

In the event that your request for an unforeseeable emergency withdrawal is approved, you may be subject to a deferral (contribution) suspension period after your unforeseeable emergency withdrawal is paid to you.

If your request is granted, the unforeseeable emergency distribution is subject to ordinary income tax and taxes will be withheld from the amount distributed. If you elect not to have federal income tax withheld or if you do not have enough federal or state income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your income tax withholding and estimated tax payments are not sufficient.

Any Participant or his or her duly appointed representative who intentionally submits misleading or fabricated information on the application for an unforeseeable emergency withdrawal will be held liable and may lead to appropriate legal action.
